

Responsibilities of Being a “Bring Your Dream” Event Host

We recommend that you host your Bring Your Dream Event on the 1st Thursday of every month, but you are NOT limited to only the 1st Thursday of the month.

Review the items below and if you are willing to be responsible to complete each of them - we invite you to register to host your own event and have it listed on BringYourDream.com

1. Pick a restaurant to host your event that has a separate meeting room or back corner that allows for story telling without interrupting other guests in the restaurant. Most restaurants will not charge you a fee to use the meeting room providing every attendee orders a meal.
 - **Suggested Step:** Locate the restaurant website where your guests can learn more about the menu, prices, etc. Then email tom@partnerwithrevii.com with that link so we can include it on your “Bring Your Dream” guest registration page.
2. Ask the restaurant how many people that room or section can accommodate.
3. Ask the restaurant whether Internet is available during the meeting (for ordering and enrolling).
4. The day before the event, remind the restaurant staff that everyone will be **paying for their own meal**, so separate checks will be needed.
5. Have an appropriate number of product guides, pens, applications, and order forms.
6. Have at least 2 people who are prepared to give a 5 min. (or less) Revii story that includes:
 - How they were introduced to Revii
 - Why they got started
 - Why they have stayed (their before-and-after product story)
 - Why they continue to share
 - What dream they are working to unlock with Revii
7. Take a picture at your actual event with your team and guests. Then text or email it to Tom (using the contact information below), so we can share it with others.

If you're ready to sign up to host a “Bring Your Dream” event, simply fill in the form at <http://bringyourdream.com/host>

We're excited to support your event and celebrate you unlocking your dreams faster by hosting a "Bring Your Dream" event!
